- I A " * " following a place name indicates that the place is coterminous with a MCD. An asterisk (*) after a place name also has a false MCD. In both cases, the MCD name is shown only when it differs from the place name.
- 1 A " ■ " following a code indicates an actual voting district. Its absence indicates that the CTD is a pseudo-voting district or no information is available due to redistricting.
- 2 A " ● " following a black number indicates that the black number is repeated elsewhere in the block.
